Textbook: “Electrical Engineering Principles and Applications”, by Allan Hambley, 7th Ed. [ISBN: 978-0-13-448414-3].

Grading:	Homework:	15%	Grading Scale:	90-100%	A
	Quizzes:	15%		80-89%	B
	Mid Term Exam:	35%		70-79%	C
	Final Exam:	35%		60-69%	D
				<60%	F

Exams: There will be a Midterm exam and a Final exam. All exams will be given online. The exam is open book and notes. You can use a calculator. You will be given two hours to take the exam.

Quizzes: Quizzes will be given online through Blackboard. A lesson quiz will post every week and must be completed by the scheduled date and time.

Homework: A homework problem set is provided at the end of each module. A related question set to the given problems are also provided and must be completed before the lesson quiz. All assignments will be completed on Blackboard. Once the assignment time is closed, no late homework will be accepted. Unless otherwise noted, students may work together on homework, provided that they do not copy and submit another’s work.

Blackboard: All course related materials, such as slides, homework assignments, links, announcements, etc. will be posted on Blackboard. Please check regularly.

Academic Integrity Policy: “As a core part of its mission, the University of Arkansas provides students with the opportunity to further their educational goals through programs of study and research in an environment that promotes freedom of inquiry and academic responsibility. Accomplishing this mission is only possible when intellectual honesty and individual integrity prevail.”

“Each University of Arkansas student is required to be familiar with and abide by the University’s Academic Integrity Policy which may be found at <http://provost.uark.edu/>. Students with questions about how these policies apply to a particular course or assignment should immediately contact their instructor.”
